The result of the vote was announced as above recorded

A motion to reconsider was laid on the table.

## PERSONAL EXPLANATION

Mrs. LINCOLN. Mr. Speaker, due to medical reasons, I was unavoidably absent during roll-call vote No. 16 on agreeing to S. 2, the Congressional Accountability Act.

Had I been present, I would have voted "aye."

#### PERSONAL EXPLANATION

Mr. MFUME. Mr. Speaker, due to a scheduling conflict in association with the celebration of the birthday of Dr. Martin Luther King, Jr., I was forced to miss the vote that was taken today, Tuesday, January 17, 1995.

Had I been here, I would have voted "aye" to suspend the rules and pass the bill S. 2, the Congressional Accountability Act 1995.

As my record will show, I have been a strong supporter in both 1994 and 1995 of legislation to require that the Congress comply with the legislation it passes. I am pleased that this year this legislation was approved of by the other body, and like many of my colleagues I look forward to seeing it signed into law in the very near future.

## PERSONAL EXPLANATION

Mr. McDERMOTT. Mr. Speaker, during roll-call vote No. 16 on S. 2, I was unavoidably detained. Had I been present I would have voted "yes".

## PERSONAL EXPLANATION

Mr. FARR of California. Mr. Speaker, I was unavoidably detained in California because of the floods, just arrived here on the airplane, and inadvertently missed the last vote on rollcall No. 16.

## SPECIAL ORDERS

The SPEAKER pro tempore (Mr. Weldon of Pennsylvania). Under the Speaker's announced policy of January 4, 1995, and under a previous order of the House, the following Members are recognized for 5 minutes each.

## ON UNFUNDED MANDATES

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Ohio [Mr. GILLMOR] is recognized for 5 minutes.

(Mr. GILLMOR asked and was given permission to revise and extend his remarks)

Mr. GILLMOR. Mr. Speaker, this country needs an end to unfunded mandates by the Federal Government on State and local governments. I am delighted to see that this concept is finally receiving broad support from both the public and from this Congress.

I introduced a constitutional amendment a year and a half ago to end those unfunded mandates by constitutional amendment, and what a difference a year and a half makes.

When I first proposed it, most people thought there was almost no chance of ever seeing a constitutional amendment voted on or adopted in this body. But after the November election and after increasing concern shown by Governors and State legislators, we have an excellent chance of getting this issue before both Houses and to a vote.

There is legislation pending to curtail unfunded mandates by statute. I support that. I cosponsored it last
